

Distinguish, differentiate, compare and explain what is the Difference between Map and Plan. Comparison and Differences.

Difference between Map and Plan

1. We can study a part or whole of the earth with the help of a map. A plan is a detail of drawing of small areas.
2. A map contains a lot of information. In plan, details are given in the form of symbols.
3. A map shows only the very important features of the area. A plan can show the length and the breadth.
