

Distinguish, differentiate, compare and explain what is the Difference between Policy and Rule. Comparison and Differences.

Difference between Policy and Rule

1. Policy is a guide to decision-making. A rule is a guide to human behavior.
2. Policy is a general statement which brings uniformity in decision-making. Rule is the most specific statement.
3. A policy is subjected to interpretation. In other words, it allows discretion during decision-making. Rules are rigid in nature and there is no scope for any kind of discretion.
