FairPlay Betting

As soon as you go to the FairPlay Club website in front of you immediately appear all the sections of the bookmaker, the main of which is Sportbook. Here you can choose one of the many sports disciplines on which you want to bet. Among their abundance, you have access to popular sports in India like cricket, kabaddi, soccer, and tennis. However, don't limit yourself to them as Asian Cup, IPL, hockey, and basketball as well as other sports disciplines including popular leagues and championships are also available on the platform. Cybersports and eSports currently also have a huge fanatic base on the site, which does not go unnoticed by the bookmaker. Moreover, the FairPlay Sportbook includes various filters with which you can find upcoming matches as well as those that have already started.

Live Betting at FairPlay

In addition to the pre-match bets, FairPlay Club allows its users to make and live bets, allowing both to diversify their pastime, and increase their chances of winning. To make a live bet, you just need to click on a special button, after which a number of matches will appear in front of you, which are available and relevant now. Here you can watch the match live and simultaneously make bets. Of course, the list of online bets includes all disciplines, as well as in general mode.

FairPlay Casino

FairPlay Casino is another option of the bookmaker that users like. Here you have access to two sections, namely online casino, and live casino. In the live casino, you can try your luck at popular games like poker, baccarat, roulette, blackjack, and others, each accompanied by a live dealer. In standard mode, however, you can choose from more than 1,000 different games, the list of which includes the best among the best. So on the platform slots from famous providers such as Evolution Gaming, Microgaming, NetEntH, Playtech, Betsoft, Play n'GO, and others are available. Each of the [slot games](#) will show its unique design and unforgettable pastime.

FairPlay Mobile App

For players who prefer to play betting from anywhere in the world and at any time, FairPlay Club has prepared a mobile app. It is available for both Android and iOS operating systems, and the minimum operating requirements allow you to download and install the app even on older models. The application is easy to download for free from the bookmaker's official website, and the maximum functionality will allow you both to bet and play in the casino. App's features allow you to do all the functions that are presented on the site, so on your phone, you can also receive bonuses and make fast payments.
